How "?" works

A modal window for logging in to a platform. The window has a dark gray header bar with a white close button (X) in the top right corner. Below the header is a white input field labeled "Email / Username". Underneath it is another white input field labeled "Password". A large green rectangular button in the center contains the word "Continue" in white capital letters. To the left of the "Continue" button is a checkbox labeled "Remember Me" with an unchecked state. To the right is a link labeled "Forgot Password?". At the bottom of the modal, there is a dark gray footer bar with white text that reads "Not a member yet? [Join Now](#)".
